Payment Terms

- **Terms:** Corso's offers the following payment options:
 - Cash or Cashier's Check
 - Upon approval, Company Check and/or Terms. To pay by company check or terms, you must submit a credit application (see page two). Credit applications can usually be processed in one to two business days. Relatively new businesses may require longer.
- **Invoices:** Invoices are sent on same day that an order is delivered. Invoices are payable within terms established for the customer at the time of invoice creation. Any invoice still due one day after stated terms is considered past due. A 1.5% per month service charge will be added to all past due invoices. No additional credit will be extended to past due accounts unless satisfactory arrangements are made with our credit department.
- **Collection:** Collection efforts shall begin on all outstanding invoices extending beyond payment terms established for your account. If collection efforts of Corso's have failed to produce payment, an account is then classified as defaulted. Any defaulted receivable shall be referred to a collection agency within a reasonable time after the final collection letter.
- **Restocking fee:** A 3% restocking fee may apply on returns exceeding \$500 in instances where Corso's is not at fault.

The undersigned warrants to Corso Inc., that all information furnished is true, correct and complete in all material aspects and understands payment terms.
